• ENGINEERING NEWS-RECORD •

VOLUME 119...*JULY TO DECEMBER*, 1937

July 1 ..... 1– 40
July 8 ..... 41– 80
July 15 81–120
July 22 121–162
July 29 163–204
Aug. 5 205–244
Aug. 12 245–286
Aug. 19 287–328
Aug. 26 329–368
Sept. 2 369–408
Sept. 9 409–448
Sept. 16 449–488
Sept. 23 489–528
Sept. 30 529–576
Oct. 7 577–614
Oct. 14 615–652
Oct. 21 653–692
Oct. 28 693–730
Nov. 4 731–766
Nov. 11 767–804
Nov. 18 805–840
Nov. 25 841–876
Dec. 2 877–914
Dec. 9 915–962
Dec. 16 963–998
Dec. 23 999–1034
Dec. 30 1035–1066

A

Accidents:
American Standards Association Committee to study accident causes..... 276
Aerial tramways see Cables and cableways
Aeronautics:
Airports:
Berlin airport planned.....n*1036
Cities and airports. J. M. Johnson..l 537
Le Bourget airport.....n*1005
New York airport cost announced...n657
Regulation of airports may be put under Department of Commerce.nn1031
San Francisco's new naval base...n*1000
White-elephant airports e419
Bendix Aviation builds plant with welded cantilever roof trusses.....*953
Glenn L. Martin assembly building.....*941
Hangars:
San Francisco exposition hangars designed with concrete walls as counterweights *478
United Aircrafts adds to factory.....*933
Air compressor unit on truck. H. S. Morse *362
Air conditioning:
Memphis worried by air cooling water use n446
Tax on air conditioning planned in Cincinnati n574
Tobacco factory at Montreal completely air conditioned.....*179
Water demand increased from air conditioning n241
Water sprays skylights after passing through air conditioning machinery.. 948
Water use in air conditioning increases. 608
Aluminum Ore Co. plans reduction plant.n122
American Assn. of Engineers:
Illinois State Assembly meeting.....n 737
American Assn. of State Highway Officials, Boston meeting n578, e587, 645
American Council of Commercial Laboratories, Organization meeting.....n911
American Engineering Council:
Reports on government engineer fees. n76
American Institute of Steel Construction:
Reviews test program..... n38
White Sulphur Springs meeting.....n735
American Public Health Assn.:
Program for meeting.....n573
American Public Health Assn. and Federation of Sewage:
Works Assns. meet in New York.....n622
American Public Works Assn.:
Atlanta meeting 675
Officers elected n*620, n621
American Railway Bridge and Building Assn.:
Chicago meeting n801
American Railway Engineering Association:
Research division formed.....n366, e338
American Shore & Beach Preservation Assn:
Chicago meeting n583
American Society for Testing materials:
New York City meeting..... n41
New York Convention..... 110
American Society of Civil Engineers:
Boston meeting 720
Coyle nominated as president.....n921
Detroit annual convention..... 237
Detroit meeting n166
85th anniversary n773
Life membership certificates awarded..n838
Lupfer to act as head..... n84
New York Section—officers elected....n119
Riggs nominated for head.....n*615
Tennessee Valley Section meets.....n699
Texas section meeting.....n838
American Society of Civil Engineers and Engineering Institute of Canada:
Boston meeting 685
American Society of Mechanical Engineers:
Plans for meeting.....n811
Americans Standards Assn.:
New York meeting n995
American Water Works Assn.:
California section meets at Sacramento n764
Missouri Valley Section convention....n837
New Jersey Section meeting opposes plan for reorganization of water supply n728
American Welding Society:
Atlantic City meeting.....n*697
Apprentices:
Apprentice training (A. G. C. meeting) 861
International City Managers' Association urges apprentice opportunities in public service..... 871
Aqueducts:
Colorado River:
Conduits in desert section almost finished n657
Distribution system contract let.....n495
Eagle Mountain tunnel completed...n160
55-mile fencing contract let.....n1033
Gene Wash dam concreting.....n*961
Ground subsides on 2-mile line.....*136
Metropolitan Water District not subject to Wagner Act..... n81
Palos Verde pipeline (unit prices).. 730
Safety primers in tunneling. R. E. Munn *158
San Jacinto tunnel crews break records n122
San Jacinto work halted by strike n332, n409, n495, n880
San Rafael tunnel lining completed..n413
Transmission line complete.....n282
Delaware River aqueduct (New York City):
Bids on first three sections opened..n771
Night work stopped due to noise n915, e923
Noise of construction causes suit....n771
Tunnel contracts (unit prices) Dec. 16 adv. 30
Tunnel contracts unsigned n969
Wage rate set.....n811, e814
Work to be done quietly.....n527
Aqueducts, see also Pipes, Tunnels:
Associated General Contractors:
Labor division to be set up.....n693, e702
Palmer nominated president.....n*731
Association of Technical Employees:
First meeting in Montreal.....n772
Awards:
John Fritz medal awarded to Paul Merica n736
Lincoln welding award given.....n697
McCrory receives John Deere medal in agriculture n1003

B

Ballasting the Moffat railway.....*381
Beams:
Beam deflection. Fleming, Drucker 1*252, A. W. Fischer 1 336, H. W. Troelsch 1*376
Deflection without integrating. K. Hajnal-Konyi *673
Design of beam base plates. J. E. Lowthers *440
How stiff is a beam? Robert Fletcher.l 775
Torres, Grossman, Albert, Tsagaris l 885
A. W. Fischer.....l 1007
Tsagaris, Schector, Krechfsy.....l 660
Shaft wales set by jacks.....l 610
Beyer, David S.....n203
Blasting:
Kansas bridge foundations removed by blasting. LaMotte Grover.....*758
Safety primers in tunneling. R. E. Munn *158
Slicing off hilltop to grade foundations for Irvin Works of Carnegie-Illinois Steel *781
Board of Engineers & Surveyors Examiners (Ga.):
Members named n116
Bonds:
Arkansas court approves bonds for additions to public buildings..... n87
Cincinnati proposes bond program...a. n84
Maryland court upholds state bond issue n85
Sacramento Municipal Utility District upheld in right to issue bonds for system n648
San Francisco to vote on sewer bonds n689, bonds defeated.....n771
Santa Ana, Calif. flood control bonds passed n283
Book reviews:
Applied fluid mechanics. O'Brien & Hickox 571
Boeckh's manual of appraisals. E. H. Boeckh 200
Bridges in history and legend. W. J. Watson & Ruth Watson.....1062
Building estimator's reference book. F. R. Walker 571
Das talsperrengewolbe. Karl Hofacker 872
Die method der crundkoordinaten. G. Kruck 571
Drainage and sanitation. E. H. Blake.. 365
Engineering properties of soil. Hogentogler & Hogentogler, Jr. 723
Federal home building service plan.... 723
Fluid mechanics. Dodge & Thompson.. 364
Highway spirals, banking and vertical curves. H. Criswell..... 200
House of health. Odd Albert..... 872
Housing officials year book 1937. Coleman Woodbury 723
Municipal and rural sanitation. Ehlers & Steel 200
Principles of plain and reinforced concrete construction. E. Probst..... 872
Reinforced concrete construction. G. A. Hool 723
Roadmakers library—6 vols.....1062
Selected bibliography of engineering subjects 872
Some data in regard to foundations in New Orleans 364
Some data in regard to foundations in New Orleans and vicinity..... 201
Standard specifications for public works construction 572
Statistically indeterminate structures. F. L. Plummer..... 571
Technological trends and national policy 723
Water treatment and purification. W. J. Ryan 872
Who's who in engineering—1937..... 571
Books sent to Afghanistan library. W. H. Walbridge .....l 213
Breakwaters, see Shore protection
Bridge accidents and failures:
California bridge timbers rot. J. E. Mackie l*213
Leonidas, Mich. small bridge wrecker by auto n*1002
Manassas, Va. highway bridge wrecked by truck collision.....n*809
Milltown, Ind. bridge form failure kills one man n806
Pennsylvania train wreck damages steel bridge but fails to wreck it.....*600
Regular inspection of bridges should be made. M. H. Godwin.....l 417
Bridge construction:
Abutment settlement studied by soil mechanics. LaMotte Grover.....*443
Bridge design:
A.I.S.C. names awards in bridge competition n*46
Baltimore railroad crossing bridge of twin arches. O. H. Schroedl.....*257
Charts for railway bridge design. W. E. Belcher *158
Electrical equipment for operating movable bridges. C. P. Hamilton.....*827
Finding weak spots in bridges. R. K. Bernhard *353, 2338
Bridge floors:
Grid floor e90

• Illustrated; a, abstracts; e, editorials; l, letter; n, news

Bridges:
- Africa:
  - Zambesi River, Churunda Gorge, suspension bridge contract let..... n44
- Alaska:
  - Salmon River steel bridge (unit prices) .....Nov. 18 adv. 28
- Baltimore:
  - Orleans St. viaduct construction. Requardt & Lucke.....*133
  - Twin arched design for railroad crossing. O. H. Schroedl.....*257
- Baton Rouge, La.:
  - Bridge started n445
- Blue Ridge Parkway, Va.:
  - Viaduct supported on rigid frame rocker bents. C. D. Geisler.....*868.
- Calif.:
  - Concrete highway bridge (unit prices) 162
  - Toll revision considered.....n414
- Chicago:
  - Outer Drive bridge dedicated.....n*580
  - Outer Drive bridge delayed.....n202
  - Outer Drive bridge opening reduces Michigan traffic n690
- Cincinnati, Ohio:
  - McMillan St. bridge is composed of rigid frame with vierendeel bracing. H. H. Kranz.....*627
- Cleveland:
  - Grant for highway bridge.....n405
- Colorado River:
  - Low trestle bridge.....n*578
- Columbia River bridge alterations to be paid for by government.....n426
- Connecticut highway bridges (unit prices) 328
- Cooley Bridge, Mich.....*588
- Denmark:
  - Storstrom to Falster two mile bridge.n*573
- Detroit:
  - Viaduct approach to railway terminal requires underpinning for sewer tunnel *481
- East Pittsburgh:
  - Expansion joint failures.....*456
  - Westinghouse bridge cracked...n332, e338
- East St. Louis, Ill.:
  - Railroads oppose bridge.....n282
- Egypt:
  - Kaf el Dayat bridge bids asked.....n651
- Fort Peck Dam:
  - Swingbridge over dredge cut.....*1016
- Frankfort, Ky.:
  - Three-span continuous steel girder bridge. E. D. Smith.....*672
- Fraser River, B. C.:
  - Pattullo bridge to open.....n*698
- Glasgow, Scotland:
  - Finniston Bridge contract awarded..n452
- India:
  - King George VI railway bridge opened n1038
- Kenosha, Wis.:
  - Record span rigid frames.....e170
- Key West railway being converted into paved highway. Harold Chamberlin. *388, e378
- Lake Champlain, N. Y.:
  - Rouses Point bridge opens.....n160
- Log-crib bridges. F. B. King.....*1027
- London, England:
  - Waterloo bridge work started.....n*367
- Mackinac Straits bridge:
  - A.S.C.E. discussed possible bridge.... 240
- Manhattan, Kan.:
  - Kaw River bridge foundations removed by blasting. LaMotte Grover*758
  - Kaw River bridge replaced after flood n*734
- Manila, Philippine Is.:
  - Big bridge planned.....n803
- Merritt Parkway, Conn.:
  - Design of bridges for Parkway. L. G. Sumner *501
- Montreal:
  - Back River bridge.....*174
- Neches River, Port Arthur, Tex.:
  - Approach to bridge.....n*997
  - Sand Island for foundation in swamp.*421
- New England:
  - Replacement of bridges — Urford bridge was dynamited. G. W. Green .....l 417
  - Replacement of bridges washed out during floods. W. G. Bowman.... *53; pt 2 *104, pt 3 *149
  - Road bridges replaced after floods..n*525
- New Westminster, N. C.:
  - Fraser River bridge.....n*366
- New York City:
  - Express highway bridge proposed at Canal St. n*124
  - George Washington bridge traffic records for eight months.....n485
  - Henry Hudson bridge second deck planned n124
  - Marine Park Bridge:
    - First day of service.....n*85
    - Opened n45
  - Queensborough Bridge tower tops placed by WPA..... n85
  - Wards Is. foot bridge proposed.....n808
  - Whitestone tower contract awarded.. n7
- Newark, N. J.:
  - Level lift bridge approved.....n964
- Niagara Falls:
  - Canada plans new bridge.....n882
- Northampton, Mass.:
  - Connecticut River bridge (unit prices) Dec. 30 adv. 14
- Oklahoma bridge and overpass (unit prices) .....Aug. 26 adv. 13
- Parker, Ariz.:
  - Trestle bridge armored.....*985
- Pasadena, Calif.:
  - Arroyo Seco bridge protected from suicides by wire fence.....n*205
  - Fence to prevent suicides.....n117
- Port Huron, Mich.:
  - Highway bridge (unit prices)..... 652
- Puget Sound, Wash.:
  - Ferry eliminated n*326
- Quebec:
  - Rail-highway bridges asked.....n734
- Rio Grande:
  - Laredo international free highway bridge proposed 633
- Riverside, Calif.:
  - 24 year old skewed flat slab railroad bridge *894
- St. Louis Bridge:
  - Municipal bridge approaches soon ready n126
- San Francisco:
  - Railroad viaduct (unit prices)..... Sept. 23 adv. 20
  - Steel foot bridge for reservoir (unit prices) .....Sept. 30 adv. 32
- San Francisco—Golden Gate Bridge:
  - Insurance taken out covering risk....n808
  - New manager appointed for bridge..n580
  - Operating at a loss.....n649
  - Tolls reduced n375, n1040
  - Traffic revenues decrease.....n847
- San Francisco-Oakland Bay Bridge....n1040
  - Electric railway system work started.n245
  - Laying ties for electric railway.....n*968
  - Nine million vehicles cross bridge... n876
  - Static dissipator for automobiles.....*442
- St. Louis:
  - Suos railroad on bridge contract.....n961
- Seattle, Wash.:
  - Concrete pontoon bridge planned.....n373
  - Lake Washington concrete pontoon bridge approved n1002
  - Lake Washington bridge proposed....n124
- Sioux City:
  - Railway bridge converted to highway use n124
- Thousand Is. bridge:
  - Suspension anchor *888
- Vancouver, B. C.:
  - Caisson for the bridge.....n*732
- Washington State:
  - Time extended for construction of bridges n86
- Wilson Dam:
  - Highway bridge planned below dam n1032

- Brookings Institute report on public works n369
- Building accidents and failures:
  - Atlanta, Ga. applies for W.P.A. help in auditorium repair n412
  - Atlanta, Ga. auditorium roof collapses..n375
  - Duluth chapel falsework falls.....n699
  - Inspection department. J. W. Ochmann.l 497
  - Minneapolis warehouse building floor falls n731
  - Oswego, N. Y. building floor collapses..n811
  - School buildings made safer.....e418
  - Staten Island, N. Y. tenement house collapses n291
- Building construction:
  - Better building. G. Szmak.....l 337
  - Better building practices. A. R. Ellis.l 415
  - German buildings to be of stone or concrete only n485
  - Lessons from an apartment building collapse. E. E. Seelye.....*93, e91
  - New York plasterers oppose concrete ceilings n485
  - Public buildings approved under Third Deficiency Act n453
  - South Africa records construction boom 182, 684
  - Special building permit surveys for Toledo and Memphis.....441, e418
  - Unbraced building columns may cause accidents. Strehan, Seelye.....l 415
  - Wage rates for building trades and employees (table) 387
- Building design:
  - Buildings that express new trends. W. G. Bowman *925
  - Wind stresses in tall buildings. Robins Fleming .....l 497
- Building laws and regulations:
  - Building code:
    - Baltimore code to be revised..... n84
    - Canada plans model code.....n1000
    - Chicago approves chapters of new code n659
    - Chicago code advances..... 512
    - Costs not lowered. Aubrey Weymouth .....l 213
    - New York City code provides for structural steel welding. G. D. Fish 509
    - New York's new building code. G. E. Strehan (tables) 316, e297
    - New York City's new code..... n168, e173, n325
  - California provides advisory board for appeals n573
  - California publishes new seismic code..n283
  - New York City bank building requirements made stricter..... 674
  - New York City—supervision of building. H. G. Balcom.....n171
- Building moving:
  - Hartford, Conn. building moved 110 ft.n*211
- Buildings:
  - Abingdon, Va.:
    - Research station contract let.....n804
  - Akron, Ohio:
    - Warehouse on modern lines.....n*575
  - Alaska:
    - McKinley Park hotel to be built by Park department n77
  - Albany, Ga.:
    - Cudahy Packing windowless plant.... 938
  - Albany, N. Y.:
    - N. Y. Central waiting room-gantry scaffold. Leon Liberman.....*159
  - Baltimore, Md.:
    - Glenn L. Martin assembly building..*941
  - Bendix, N. J.:
    - Bendix Aviation builds plant with welded cantilever roof trusses.....*953
  - Binghamton, N. Y.:
    - Agfa Ansco completes warehouse...n*119
  - Birmingham, Ala.:
    - New tin plate plant.....n*256
  - Boston:
    - New courthouse n*1003
  - Buffalo, N. Y.:
    - Chevrolet axle and motor plant contract awarded n40
  - Cambridge, Mass.:
    - M.I.T. plans new building.....n368
  - Chicago:
    - Department store n*916
    - Marshall Field building cleans air electrically *948
  - Clairton, Pa.:
    - Irvin Works—first steel set.....*132
  - Cleveland:
    - Cedar-Central housing set back from street line 949
    - Lincoln Electric factory roofs of welded rigid frames for both sawtooth and arch bents.....*950
    - Lincoln Electric plant frame.....n*380
    - Sports arena floor to be laid in one operation 548
  - Detroit:
    - Chop suey factory of glass brick.....n847
    - Glass used in walls and roof of factory n*126
  - East Hartford, Conn.:
    - United Aircraft adds to factory.....*933
  - Elkader, Ia.:
    - School without windows.....*937
  - Evanston, Ill.:
    - Marshall Field store has parking lot on roof of service station.....*939
  - Fresno, Calif.:
    - Auditorium decorated with plaster waste molds *947
  - Glendale, Calif.:
    - Mausoleum has intricate pattern cast in arches *644
  - Great Britain:
    - Harefield Sanitorium gives maximum sunshine n*696
  - Hackensack, N. J.:
    - City builds bus terminal.....*546
  - Hartford, Conn.:
    - Move buildings 110 ft.....n*211
  - London:
    - Earl's Court Exhibition Center.....n*413
    - Earl's Court exhibition center. C. P. Lake .....l 660
    - I.C.E. new building.....n*256
  - Los Angeles, Calif.:
    - Earthquake-resistant brick school. C. H. Fork *227, e214
    - Steel warehouse falls during erection. n*2
  - Louisville, Ky.:
    - Raise roof of federal building to add story n584
  - Mansfield, Ohio:
    - Warehouse with walls 2¼ in. thick.. 949
  - Middletown, Ohio:
    - American Rolling Mill research laboratory of steel walls, glass blocks, porcelain enamel sheets.....*929
    - Armco building in modern style.....n*772
  - Milwaukee:
    - Store building inclosed in plywood sheathing for winter construction..*710
  - Montreal:
    - Bus terminal n*911
    - Tobacco factory design.....*179
  - Moscow:
    - World's tallest building.....n527
  - Needham, Mass.:
    - School wall needs strengthening.....n242
  - New London, Tex.:
    - Plans for new school.....n366
  - New York City:
    - Corning Glass building of glass bricks n*584
    - Corning Glass office building of glass blocks *926
    - Lessons from an apartment building collapse. E. E. Seelye.....e91, *93
    - New York University provides laboratory for sanitation research....*483, e458
    - Piles drilled into rock pockets used for garage foundation.....*434
    - Post office building still proceeding..n*653
    - Queens opens asphalt plant.....n801
  - Oklahoma City:
    - New civic center. G. M. Orr.....*394
  - Pittsburgh:
    - Grading for Irvin Works of Carnegie-Illinois Steel *781, n*841
    - Pennsylvania Finance building gets allotment n452
  - Racine, Wisc.:
    - Johnson Wax office building of unusual architecture and construction.*956
  - Rochester, N. Y.:
    - Library built over the river.....n*42
  - San Francisco:
    - Exposition hangars designed with concrete walls as counterweights.....*478
    - School construction costs. H. B. Hammill .....l 170
  - School rebuilding begun by PWA allotments n405
  - Sparrows Point, Md.:
    - Steel mill capacity increased.....n*529

Washington, D. C.:
Air conditioning installation workers strike n495
Buildings see also Housing, Roofs

C

Cables and cableways:
Aerial tramway begun in New Hampshire n773
Caissons:
Driving large caissons without compressed air by use of I-beams. Maurice Blumenthal 1 971
New York City elevated highway—sinking caissons for foundation in debris fill *743, e741
Sand island caissons for Texas bridge foundations *421
Canada Department of Public Works:
Works staff shifted n653
Canals:
All-American canal:
Earth lining (unit prices) 730
Pilot Knob wasteway contract awarded n209
Siphon drop turnout (unit prices) ..... Dec. 16 adv. 30
Structure to carry wash over canal n*406
Wasteway (unit prices) 692
Water to be turned into canal next year n455
Cape Code canal:
Dredging (unit prices) 80
Casper Canal (Kendricks project):
Four electric shovels have cut grading costs *705
Truck bodies holding concrete having swinging partition attached *798
Contra Costa Canal:
Work started n656
Galveston-Corpus Christi canal:
Uncompleted section to be finished n485
Gila canal:
Concrete aggregate contract awarded n455
Heat Mt. division of Shoshone reclamation project canal contract let n445
Heat Mt. canal (unit prices). Sept. 23 adv. 20
Irrigation canals, Montana (unit prices) 488
Lake Okweechobee, Fla. canal reported adversely n690
New Jersey canal connecting Delaware River with New York Bay being studied n410
Panama Canal:
W. L. Sibert honored by special stamp n649
Third set of locks to be designed n160
Roosevelt Dam, canal (unit prices) 286
Tieton Main canal of Yakima project n*582
Case, Montgomery B. to retire from firm n4
Cement:
Federal Trade Commission charges monopoly in cement n44
Federal Trade Commission complaint denied by firms n534
Florida cement inspection tax upheld n656; may not be enforced n920
Texas studies identical cement bids n803
Central States Sewage Works Assn.:
St. Paul meeting n763
Channels see Ports and Harbors, Rivers
Chimneys:
All-welded stack with butt straps *421
Marion, O. power plant chimney n*919
San Francisco smelter chimney sets record n*1040
Stainless steel stack with welded joints handles nitric fumes *62
Cities:
Apprentice opportunities urged in public service by International City Managers' Assn. 871
Financial policies for cities 557
High school students as city apprentices 424
How cities can strengthen their financial programs *1015
Mayors conference on relief, housing and airports n845
Municipal balance sheets. Fred Lavis 1 661
Municipal Bankruptcy Act n406
Municipal finance technique shown "dated" 1049
National Resources Committee reports on urban problems n492
St. Paul improves municipal job control 867
Tax-delinquent land in cities turned back to use 830
City manager:
Cincinnati appoints Sherrill as manager n40
Civilian Conservation Corps:
Enrollment drops n486
54,000 men to be re-enrolled 73
Cofferdams:
Grand Coulee Dam water inflow stopped by reconstruction *13
Liquid mud lifts ship in Miami harbor. Harold Chamberlin *235
Port Stanley, Ont. cofferdam collapse kills eight n1035
Stiffeners at sheet pile wyes in cell wall *236
Columns:
Harness for setting columns. G. W. Maker *75
Morning glory columns are part of Johnson Wax office building's unusual architecture *956
Concrete:
Concrete is developing into an architectural medium *947
Forms:
Early hung forms for floors. E. E. Howard *609
Grade beam form. G. W. Maker *35
Hung forms for floor slabs. K. B. Humphrey *34
Pockets on panels carry the necessary hardware. Daniel McFarland 159
Scaffold trucks move floor forms. H. D. Hammond *524
Grand Coulee Dam concrete pouring record *101
Graph for cost of concrete. E. W. Debarard & Morris Podolsky *362
Mixer design. M. N. Clair 1 884
Mixers should be improved. L. H. Tuthill 1 212
Moist curing of concrete. H. J. Gilkey *630, e624, 1 775
Mortar workability. Hubert Woods 1 170
Ornate decoration cast in arches of mausoleum in Glendale, Calif. *644
Permanency of concrete. J. G. Holbrook 1 971
Pipe with spray nozzle keeps concrete wet on Grand Coulee Dam. Daniel McFarland *1027
Plastic flow in concrete. Davis, Davis & Brown 180
Platform saves slopes being trampled during paving operations. G. L. Stillman *610
Precast reinforced concrete slabs for floors and roofs investigated by Armour Institute. H. T. Heald *671
Ready-mixed concrete manufacture and merchandising. H. F. Thomson 303, e296
Reinforcing bars' corrosion studied n874
Test of precast concrete floor units. Homes & Protze *507, correction 739
Truck mixers of modern design. C. F. Ball *786
Twisted bar steel. A. S. Macdonald 1 971
Water cement ratio. J. C. Sprague 1 813
Water control requirements not followed. C. J. Wilkin 1 585

Buffalo disposal plant contract awarded n804
Buffalo lets construction contracts n78
Buffalo sewage plant building (unit prices). Nov. 25 adv. 22
Buffalo sewage plant sluice gate n*332
Buffalo sewage treatment plant (unit prices). July 22 adv. 28
Buffalo's pumping station delayed by sunken timbers n117
Camarillo State Hospital, Calif. biofiltration plant. H. N. Jenks *183
Case School loaned Cleveland equipment for sewage study n806
Chicago Sanitary District denied review of activated sludge case n731
Denver sewage plant placed in operation n964
Fertilizer of sewage sludge 906, e886
Gas holder, round *1044
Indiana cities agree to treat sewage n875
Linton, Ind. ordered to build sewage plant n1032
Middletown, Conn. sewage treatment plant. T. F. Bowe *1011, e1008
Milwaukee activated sludge suit costs n5
Milwaukee damage claim reduced by Activated Sludge n877
Milwaukee loses patent suit n211
New Orleans Sewerage plant to have additions for drainage n765
New York City adds Tallmans Island sewage plant *541
New York City Tallmans Is. plant contracts awarded 715
New York City's treatment plant on Ward's Island n*693, n697, n735, e740
New York City sewage disposal plant (unit prices) Aug. 26 adv. 12
New York sewer tunnel looped under bad ground *220
New York State sewerage and water improvements advance under P.W.A. funds 66
Niagara Falls sewage plant damaged by acid industrial waste n920
Notes on sewage disposal. Willem Rudolfs 156, 324, 523, 762, 909
Peoria disposal plant generators controlled electrically. King & Lockwood *569
Raritan River freed from pollution by fourteen sewage disposal projects. C. J. Velz *717
St. Louis required to have filters for septic tanks n366
Salvage from sewage? Willem Rudolfs *1055, e1043
Twin Cities to employ centrifugal dewatering n367
Vineland, N. J. disposes of sewage by irrigation. G. A. Mitchell *63
W.P.A. will refuse projects for untreated sewage n659
Sewerage. See Sewage treatment, Sewers
Sewers:
Buffalo contractors request time extension n127
Buffalo outfall sewer. Oct. 14 adv. 32
Buffalo sewer harbor contract awarded n168
Chicago sewer serving western suburbs opened n241
Detroit interceptor sewer explosion kills five men n581
Detroit settles claim for sewer collapse n845
Detroit sewer accident not due to negligence n811
Detroit sewer tunneling at high speed *188, e172
Detroit sewers (unit prices). Dec. 23 adv. 22
Detroit shield tunnel for intercepting sewer (unit prices) 448
Great Bend, Kansas sewers (unit prices) 652
Louisville sewers (unit prices). Nov. 25 adv. 20
Montreal trunk sewer has a fire n1005
New York City intercepting sewer (unit prices). Oct. 14 adv. 32
St. Louis, Mo. sewers (unit prices). 328
San Francisco to vote on sewer bonds n689
bonds defeated n771
Turners Station, Md. sewer (unit prices). Aug. 26 adv. 12
Two die in manhole of Boston sewer n734
Shawneetown, Ill. moved to high ground n325
Sheets, Frank T. named new P.C.A. head n*87
Ships and Shipping:
Columbia River boat designed with propellers in tubes within vessel 37
Liquid mud lifts ship in Miami harbor. Harold Chamberlin *235
Shore Protection:
Beach erosion studies to be made in wave tank 306
Breakwater construction. D. E. Hughes 1 701
Evansville transforms its riverfront. L. A. Geupel *307
Los Angeles breakwater of earth fill covered with stone. M. W. Gilland *398
New York beach rehabilitation proposed n995
Silicosis:
Air Hygiene Foundation e624
California reduces surcharge rate on insurance n283
Marion, Ohio, workmen's damage claims denied n206
New York contractors control rock drill dust by wet drilling with adequate ventilation *1058
Smith, Rear Admiral, retires from Yards and Docks n*921
Smoke Abatement:
Electrostatic precipitators clean air in Field Building 948
St. Louis smoke law declared void n7
St. Louis smokestacks passed on by smoke commissioner n912
St. Louis to appoint smoke engineers n291
Snow photography helps to forecast Denver's water supply. D. D. Gross *310
Society for the Promotion of Engineering Education:
Cambridge meeting n45
New England section meeting n654
Survey meeting n85
Surveying Teachers' Conference n282, *334
Soil Mechanics:
Abutment settlement studied by soil mechanics. LaMotte Grover *443
Bureau of Public Roads offers study course n485
Data from road research meeting *991
Electrolysis surveys mapped in Los Angeles 568
Purdue builds laboratory for soil mechanics n656
Sampling and core drilling carried on in Passamaquoddy Bay. A. L. Dow *635
What is stabilized soil? e662
Standardization:
Hydrogen-ion measurements to be standardized 566
Steel:
Corrosion on reinforcing bars studied n874
Joining new beams to old steel columns *948
Production begins in Jones & Laughlin mill *999
Stainless steel stack with welded joints handles nitric fumes *62
Twisted bar steel. A. S. Macdonald 1 971
Walls of steel used in 1931. H. M. Morse l*1041
Street Traffic:
Detroit plans traffic engineering bureau n969
Detroit traffic conditions reported by highway department n693
Harvard University awards scholarships in traffic study n574
Ideal city system applied to the present. S. Johanneson *554
New Haven needs traffic bureau n327
Parking:
Akron proposes human meters n116
Houston parking meters show big profits n1000
Marshall Field store has parking lot on roof of service station *939
Sacramento rejects meters n874
Washington, D. C. five year traffic plan proposed n651
Stresses:
Steel stresses in concrete pipe. Gumensky & Whitman *597
Structural Design:
Beam deflections without integrating. K. Hajnal-Konyi *673
Computing properties of rivet groups. Theodore Doll *798
Design of beam base plates. J. E. Lowthers *440
Dynamic action e338
Finding weak spots in bridges. R. K. Bernhard *353
Framing economy. Berger, Booss l*738
Framing requirements and stress paths. George Booss, Jr. e379, *402
Los Angeles county flood control structures. R. E. Cruse *67
Stress habits e777
Subsidence:
Ground subsidence along a 2-mi. length of the Colorado River e130, *136
Subways:
Boston subway extension construction to begin n46
Chicago plans transit system n*694
Chicago subways—P.W.A. loan asked for subways 87
London lets extension contract for tubes n528

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

New York City—contract awarded for Fair extension n736
New York City—Independent subway Queens link opens..... n127
New York City—Independent subway alterations (unit prices)..Dec. 30 adv. 14
New York City—Independent subway trestle (unit prices).....Nov. 18 adv. 28
San Francisco subway vote approved..n405
San Francisco to vote on system..... n4
Surveyors Institute to be held.....n996
Surveys and Surveying:
Aerial surveys for taxing real estate... 545
Allotment for topographic survey work received by Geological Survey.....n334
Car designed for survey parties. D. G. Cackler *74
Drafting land descriptions. A. W. Bedell 565
Erosion control survey in Iowa.....n202
Finding curve ordinates. C. E. Sharp, Jr. *799
Indian way. Thomas Buckley.....l 1041
Land descriptions. A. D. Millard.....l 623
Land descriptions. Garnett, Munger...l 970
Matching photographs for panoramas. H. K. Palmer.....*1026
New York City topographical model..*716
Painless square root. J. L. Doyl.....l 970
Stadia rod. W. S. LaLonde, Jr.....l *660
Stadia rod design. Gordon Dinsmoor *74, J. A. Oakey.....*1025
Surveying teachers conference.....n*334
Topographical maps done for nearly half of U. S. n845
TVA air map completed.....n203
Swimming pools in Illinois to be inspected regularly n1032

T

Tanks and Standpipes:
Chlorine tanks immersed in caustic acid when leads develop..... 100
Montgomery, Ala., elevated tank improves pressure in water system....*570
Repair of pipe leak in elevated tank. R. Boettinger *442
Sacramento builds elevated concrete tanks of record size for water. H. D. Dewell *752
St. Petersburg, Fla. houses water treatment plant in steel tanks. Malcolm Pirnie *461, e459
Taxation:
Centralized purchasing saves tax money in U. S. and Canada..... 400
Federal contractors may be taxed.....n915
Federal contractors' tax exemption to be re-examined n449, n489
Iowa bond tax upheld by Supreme Court n805
St. Louis held not liable for sales tax on construction materials.....n996
Utah changes sales tax rules.....n690
Tennessee Valley Authority:
Air map of Tennessee Valley completed.n203
Clarksville permitted to use TVA power n689, n1032
Mississippi flood control by reservoirs. A. E. Morgan.....*263, e255
Power contract with Aluminum Co.... n86
Power contracts signed with Trenton and Jackson, Tenn.....n410
Power from Pickwick Dam to be sold to Arkansas Power and Light..... n8
Power standby pact signed with Tennessee Electric Power.....n374
River work costs allocation not settled. n82
Staff changes n249
Tennessee Electric permitted to build steam plant n293
Tennessee Public Service appeals injunction against Knoxville plant.....n493
West Tennessee Power & Light denied exclusive franchise n802
Tucker, Prof. Ross F. dies.....n1036
Tunnels:
Boston water tunnel plan studied..... n84
Cascade Tunnel—Will shorten distance between towns. H. E. Phelps..... 19
Casper Canal progress.....*705
Charleston, S. C., drives 18 mi. tunnel to increase water supply..... *59
Charleston, S. C. water tunnel driven through marl. J. E. Gibson..... *60
Chicago's railway tunnel held not taxable n77
Colorado-Big Thompson water tunnel route argued at hearing.....n808
Colorado River Aqueduct:
Eagle Mountain tunnel completed...n160
Excavation proceeding in spite of strike n621
Safety primers in tunneling. R. E. Munn *158
San Jacinto crews break records.... n122, n332, n495, n880
San Jacinto tunnel men on strike....n409
San Rafael tunnel lining completed..n413
Delaware River:
New Jersey Tunnel charter filed.....n410
Three contracts for tunnels (unit prices) .....Dec. 16 adv. 30
Detroit:
High speed shield tunneling for sewer e172, *188
French railway tunnel opened in Alsace n249
Holland tunnel:
Traffic records for eight months.....n485
London:
Blackwall second tube approved.....n1006
Thames tunnel started.....n*285
Milwaukee sewer tunnel (unit prices) Sept. 16 adv. 40
Moffat railway tunnel..... 381
New York City:
Battery-Brooklyn tunnel:
Submarine core drill rig.....*235
Lincoln tunnel (Midtown):
Allotment for second tube.....n330
Approach from New Jersey—contracts let n82
Approach road (unit prices)..... Oct. 21 adv. 28
Approach to tunnel (unit prices)... Dec. 30 adv. 12
Bids for New Jersey approach received n77
Caisson for ventilating tower.....n*163
Dedication and opening.....n1040
First tube opened.....n*878
Five-ton truck limit in tunnel.....n809
Lining the tunnel.....*349
Toll to be charged.....n1032
Views of new tunnel.....*1010, e1008
Work ahead of schedule..... 673
Manhattan crosstown tunnel studied by board n444
Queens Midtown:
Contract for driving tubes awarded n42
Excavating the shafts on time limit*141
Sewer tunnel looped under bad ground*220
Oakland, Calif. Broadway highway tunnel opened n966
Panama wants tunnel.....n485
Seminoe Dam diversion tunnel. J. H. Warner *817
Shasta Dam:
To have temporary rail tunnel.....n969
Bids called for.....n1036
Turbines:
Water wheels' affect on fish studied...n526
Tuttle, Arthur S. receives award for service n*768, e776

U

Unemployment:
Census starts in Nov.....n580
Form of unemployment query is announced n621
U. S. Army:
Construction programs for army posts approved by Senate.....n288
Kingman appointed Assistant Chief of Engineers n1040
Schley is appointed Chief of Engineers.n*489
U. S. Bureau of Reclamation:
Appropriation bill signed.....n251
Construction program 1052
R. B. Williams appointed as assistant commissioner n*325, n211
U. S. Chamber of Commerce:
Building conference n844
U. S. Conference of Mayors at Washington n845
U. S. Department of the Interior:
Appropriation bill passed.....n164
U. S. Housing Authority:
PWA Housing Division taken over....n731
U. S. War Department:
River and harbor appropriation bill passed n121
River and harbor bill passed by House n41

V

Virginia Society of Professional Engineers:
Organization meeting n650

W

Wallace, L. W. joins Crane Co.....n996
Walls:
2½ in. thick wall for warehouse..... 949
Wastes, industrial:
Niagara Falls sewage plant damaged by acid industrial waste.....n920
Niagara River fish die as pollution increases n995, e972
Notes on sewage disposal. William Rudolfs.....156, 324, 523, 762, 909
Water mains:
Boston water main (unit prices)..... Dec. 16 adv. 30
Disinfection of new water mains..... 146
Golden Gate Exposition provides for expansion in water mains. A. P. Malley *428
Leakage tests for Los Angeles water main 561
Mapping valve locations in water mains for emergency use. M'Kean Mafftt..
*31, e814
Mayville, Mich. water main extension (unit prices) 448
Water pollution:
Boston harbor pollution discussed at A.S.C.E. meeting 687
Disinfection of new water mains..... 146
Indiana anti-pollution act upheld by court n57
Indiana Health Department orders cities to cease pollution of Lake Michigan, canal and rivers.....n490, e498, 83
Legislation for stream pollution. Thomas Parran .....l 45
Michigan to sue cities to stop pollution.n100
New Englanders oppose bill.....n77
New York City waters designated by Interstate Sanitation Commission for Class-A purity n83
Ohio River pollution survey to be made.n37
Pennsylvania law forbids pollution of waters.....n47, e130, n290, n99
Pennsylvania will inspect water supply used by highway contractors.....n61
Pollution bill n293, n32
Raritan River freed from pollution by fourteen sewage disposal projects. C. J. Velz *717, e70
Springfield, Mo. epidemic damage award appealed n72
Water resources:
Hearings on bills to set up authorities to develop water resources.....n99
Oregon water planners make first report n99
New York State survey of water resources 1061
Seven regional authorities for development of water resources discussed in committee n121
Water rights:
Denver water diversion through Moffat Tunnel approved by court.....n657
New England governors confer on compacts n574
Rio Grande and Colorado Rivers use difficult with Mexican pact.....n533
Yellowstone River water negotations—C. L. Seavey appointed commissioner.n375
Water supply:
Air conditioning increases water demand n241
Air conditioning installations increase water demand 608
Appraisal of quality characteristics of public water supplies.....*641
Birmingham, Ala. Inland Dam for water supply. J. D. Jacobs.....*357
Birmingham's new water supply discussed at A.P.W.A. meeting..... 675
Buenos Aires loses water for a day in offshore wind n727
Charleston, S. C. drives 18 mi. tunnel quickly to meet sudden call for water *59
Charleston, S. C. water tunnel driven through marl. J. E. Gibson..... *60
Chicago suburbs found to have fluorine in water supply.....n1032
Cleveland—floating a water intake into place in Lake Erie.....*473
Clinton, Ill. water supply contains explosive gases n874
Corpus Christi, Tex. water line bids...n842
Cross connection elimination stimulated in Los Angeles 561
Denver's mountain water supply forecast by photographing snowfall. D. D. Gross *310
Denver's West Slope water diversion project; Ralston Creek dam. O. M. Strange *195
Eureka, Cal. water line (unit prices).. July 8 adv. 38
Financing water supply improvements. A. W. Consoer..... 96
Good water evaluated. E. E. Wall.....l 774
Houston makes survey for additional supply n444
Los Angeles waterpumps..... 199
Memphis worried by air cooling water use n446
Mandham, N. J. water supply (unit prices) 448
New England States ask Massachusetts to protect sources of streams used by those states n735
New Jersey groundwater supplies menaced by salt water..... 564
New Jersey water plant opposed at A.W.W.A. meeting n728
New Jersey water shortage studied by WPA n1000
Pasadena conference plans water conservation n575
St. Charles, Mo. protects supply by cutting channel when Missouri drops...n999
Salt Lake voters approved Provo water plan n962
Seawater for sanitation in Virgin Islands city 684
Singapore water losses held to low figure 474
Storage basins of gravel and sand located behind dams in deserts of the Southwest. G. G. Sykes.....e10, *36
Use of water in small cities being studied n535
Water is a complex chemical mixture and reagent 566
Yerga Buena Is. San Francisco, water supply pipes and pumps serve three objectives. A. P. Malley.....*1050
Water supply, see also Tanks
Water treatment:
Ammonium sulphate for treatment of water. D. D. Gross..... 363
Atlanta sedimentation basins (unit prices).....Dec. 30 adv. 12
Chicago appropriates for filtration....n1036
Chlorine tanks immersed in caustic acid when leaks develop..... 100
Covington, Ky. is constructing filtration plant. J. S. Watkins.....*466

Denver's filter plant.....n*445
Fluorine removal method found by chemist.....n452
Fluorine at Topeka, Kan. reduced by treatment..... 472
Los Angeles chlorination plants maintain constant chlorine residue by photocell control..... 236
N.E.W.W.A. discusses water treatment.*602
Purification plants for camps. F. B. King.....*525
St. Petersburg, Fla. house water treatment plant in steel tanks. Malcolm Pirnie.....*461, e459
Sodium compounds for coagulation..... 465
Titanium salts used in water treatment 281
Windshield wiper cleans window of turbidity well.....*1027
Water wheel, see Turbines
Waterways:
Beaver-Mahoning waterway project considered.....n533
Waterways, see also Ports and Harbors
Waterworks:
Cedar Rapids, Iowa, water plant. W. W. DeBerard.....*977
Electrolysis surveys mapped in Los Angeles..... 568
Management of waterworks. E. G. Plowman 322, G. F. Hughes, J. S. Longwell 1 376, C. M. Osborn 1 416, E. E. Wall 1 457, A. P. Kuranz.....1 537
Management weaknesses in municipal waterworks. E. G. Plowman..... 225
Mapping valve locations in water mains for emergency use. M'Kean Maffitt..*831, e814
New York State water and sewerage improvements advance under PWA funds..... 66
Organization weaknesses in municipal waterworks. E. G. Plowman..... 269
PWA has financed 52 per cent of the waterworks construction during past four years..... 73
San Marino, Calif. votes against municipal purchases.....n117
Spokane, Wash. pump for reservoir....n*844
Texas waterworks supervision. Chester Cohen.....*559
Valves automatically control flow.....*567
Wilmette, Ill. school children study filtration plant..... 480
Yonkers water tower falls.....n697
Weirs:
Classifying weirs according to crest lengths. Robert Abbett.....*594
Welding:
Bendix Aviation builds plant with welded cantilever roof trusses.....*953
Connecting new beams to existing columns.....*948
Erection bolts in welding. V. R. P. Saxe.....1*739
Fort Peck Dam dredge pump improvements. T. B. Jefferson.....*896
Lincoln Electric factory roofs of welded rigid frames for both sawtooth and arch bents.....*950
New York City building code provides for structural steel welding. G. D. Fish..... 509
Wells:
Amarillo, Tex. well system in fine sand. E. T. Archer *471, correction..... 885
Gravel-packed wells discussed by N.E.W.W.A.....*602
New Jersey groundwater supplies menaced by salt water..... 564
Western Association of State Highway Officials:
Denver meeting.....n284
Wharfs and docks:
Corpus Christi Bay, Tex. wharf sheds (unit prices).....Sept. 23 adv. 20
Designing piers on piles to resist ship impact. Paul Andersen.....*822
San Francisco bunker and wharf (unit prices).....July 15 adv. 28
Windows:
Federal Trade Commission orders window manufacturers to change trade practices.....n920
Wood preservation:
Treatment of timber in 1936..... 140
Wood preservation, see also Marine borers
Works Progress Administration:
Amount spent in New York City from its start.....n290
Construction by the WPA. E. A. Prentis.....1 701
Employment rolls cut.....n689
Governmental agencies sponsoring projects buy forty per cent of WPA materials..... 640
New York City jobs to be examined by committee.....n490
New York City tests skilled workers on WPA.....n765
New York workers to be rated on efficiency basis.....n1032
Picketing by WPA defended. H. H. Dash.....1 416
